III. ACTIONS

Scheduled Action.

- 1. Intellectual Property: Patents, Inventions, and Copyright Policy. Log No. 5798. Reviewed by SCIE (K. Smith, Chair). Contact person D. McKay (dmckay@triton.uog.edu). *Distributed to SCIE on 13 November 2017.*

Background: This request is to update, expand, and improve UOG's Intellectual Property Policy. The new policy increases the potential share of the "creator" from 33% to 40–45% of the royalty income and provides more comprehensive guidance on handling intellectual property issues, including the composition of the Innovation Policy Board.

Review Process: This request was created by an ad hoc committee of faculty and administrators (13 February 2018). It was reviewed by the Research Council (12 February 2018) and the Administrative

Council (12 February 2018). The RFK Academic Affairs Committee reviewed the Copyright section (13 February 2018).

MOTION: To endorse the SCIE's recommendation on the changes to the UOG Intellectual Property Policy as contained in attachment 1.

DISCUSSION: 10 minutes.

ACTION SOUGHT: Senate endorsement.

INTRODUCED BY: K. Smith SECOND: J. Biggs

ACTION TAKEN: Motion Carried (Unanimous)

2. UG Program Change: Communication. Log No. 5800. Under review by UCRC (S. Bells, Chair). Contact person R. Anderson (rdanderson@triton.uog.edu). *Distributed to UCRC on 17 November 2017.*

Background: This request is to change the current Communications Program from 2 tracks to 4 tracks (Communication Studies, Public Relations, Journalism, and Digital Cinema & Media). In conjunction with this change, the credit hours required for the program would be increased from 45 credit hours to 51 credit hours and the courses required for each track are defined.

Review Process: This request has received the following endorsements: from the Program on 25 October 2017, the Division Chair on 25 October 2017, the CLASS AAC Chair on 15 November 2017, and the CLASS Dean on 15 November 2017.

MOTION: To endorse the changes made by the Communication Program, as contained in attachment 2.

DISCUSSION: 10 minutes.

ACTION SOUGHT: Senate endorsement.

INTRODUCED BY: K. Smith SECOND: J. McConnell

ACTION TAKEN: Motion Carried (Unanimous)

3. Course Retake Policy for Undergraduates. Log No. 5817a. Reviewed by SCIE (K. Smith, Chair). Contact person M. Vuki (vukim@triton.uog.edu). *Distributed to SCIE on 19 January 2018.*

Background: This request is to add to the allowable situations in which a student may retake a class to include classes for which a student has received a grade between C and B+. Students who wish to retake a course under these circumstances must receive approval of the program and the Dean of the college that offers the course. Note however, that students who are taking the course for the first time will be given priority. If a course is repeated, the course (and original grade) will appear on the student's transcripts, but only the last grade achieved for the course will be included in the student's GPA.

Review Process: This request has received the following endorsements: from the CNAS AAC Chair and the CNAS Dean on 1 December 2017.

MOTION: To endorse the SCIE's recommendation on the change to the Course Retake Policy for Undergraduates arising from CNAS as contained in attachment 3.

DISCUSSION: 10 minutes.

ACTION SOUGHT: Senate endorsement.

INTRODUCED BY: W. Xiao SECOND: Y. Inoue-Smith

ACTION TAKEN: Yes=8, No=7 Motion carried (Majority)

4. Course Retake Policy for Undergraduates. Log No. 5835. Reviewed by SCIE (K. Smith, Chair). Contact person R. Cristobal (remybc@triton.uog.edu). *Distributed to SCIE on 19 January 2018.*

Background: This request is to allow students to repeat courses for which they have earned a C– or less. The current policy only allows students who have earned a D, F, or W to repeat a course. However, with the change in the UOG grading system to include +/- grades, a C– is below (GPA 1.70) the GPA necessary to remain in good academic standing (GPA 2.00).

MOTION: To endorse the SCIE's recommendation on the change to the Course Retake Policy for Undergraduates arising from EMSS as contained in attachment 4.

DISCUSSION: 10 minutes.

ACTION SOUGHT: Senate endorsement.

INTRODUCED BY: K. Smith SECOND: C. Garcia

ACTION TAKEN: Motion Carried (Unanimous)

5. Request for Course Removal: PS 100 Introduction to Citizenship. Log No. 5851a. Reviewed by UCRC (S. Bells, Chair). Contact person M. Cruz (mtfcruz@triton.uog.edu). *Distributed to UCRC on 29 January 2018.*

Background: This request is to remove PS 100—Introduction to Citizenship from the curriculum. This course was intended for non-majors, who required a GE course in "The Individual & Society," and who were restricted to developmental English. This course is no longer a GE course and developmental English is no longer offered, so there is no longer a need for this class.

Review Process: This request has received the following endorsements: from the Political Science Program on 5 December 2017, the Division on 6 December 2017, the CLASS AAC Chair on 29 January 2018, and the CLASS Dean on 29 January 2018.

MOTION: To endorse the UCRC's recommendation on the request for the removal of PS 100: Introduction to Citizenship as contained in attachment 5.

Background: This request is to add the course PS 440—Indigenous Politics to the Political Science Curriculum. The course is designed for senior undergraduates who have successfully completed PS 225—State and Territorial Government. This course examines the political relationship among indigenous and non-indigenous peoples and colonial powers, as well as national and international communities. This course is considered particularly timely as Guam examines its own political structure and relationships. This course will be taught by existing faculty.

Review Process: This request has received the following endorsements: from the Political Science Program on 5 December 2017, the Division Chair on 6 December 2017, the CLASS AAC Chair and the CLASS Dean on 29 January 2018.

The course consists of 5 lecture hours each week (5 cr.) and covers the same material as the 2 semesters of MA 085a and MA085b. This course addresses the need for a course that examines the political challenges of postcolonial societies.
